Dear Mr. McAteer:

Thank you for the information you have provided on the Sauget Area 1 and 2 proposed CERCLA sites. The U.S. Fish and Wildlife Service has a strong interest in these sites, as fish and wildlife resources in the area may be at risk. We would like to be kept up to date on the status of the sites, and would appreciate receiving further information as it develops.

Please contact Kevin de la Bruere of my staff at ext. 530 with any questions or comments regarding the sites.

Sincerely,

for Richard C. Nelson
Supervisor
